Shared Reading answers

Retrieval

1. Where are the Victoria Falls ?

On the border between Zambia and Zimbabwe

2. What makes the falls special ?

As they are formed in a slot like chasm, you can look at the falls face on which is unusual for a waterfall.

Words in context

3. Why is 'the smoke that thunders' a good description of Victoria Falls ?

The water produces spray which looks like smoke.

The sound would be like thunder.

4. Find and copy a word which means strange or unusual.

peculiar

Inference

5. How do you know that Livingstone thought the falls were very impressive ?

He says 'scenes so lovely must have been gazed upon by angels in their flight' which suggests it is so special and amazing angels would have gone to see them.
