

Pre-learning Geography Spring 2 Year 3 / 4

What makes the Earth angry?

**Choose ONE or more of the tasks below:
We will have a show and tell the first day back
from the half term.**

Design the ultimate umbrella (or another super weather object-like a coat or wellies!) What features would it have? What would it look like? Why would it be better than any other? Remember- plan- make – evaluate!

Find out how to stay safe in dangerous weather conditions e.g. during a lightning storm. Draw a picture or make a poster to teach people what they should or should not do.

Find a weather picture, created by a famous artist, that you like. Be ready to describe the image, say how it makes you feel and why you like it. Can you create your own in the style of the artist?

Lots of sayings or rhymes tell us about the weather, e.g. it's raining cats and dogs. Find three different weather sayings or rhymes and explain what they mean. Can you write your own rhyme or saying?
