

Wednesday 15<sup>th</sup> July

**TRANSITION WEEK –Memories**

This is your last week as an official Tawny Owl and sadly we have not been able to spend it together. If we were at school, we would be spending time talking about change, our hopes and fears as well as celebrating all we have achieved. So throughout this week I want you to spend time talking to your family about your transition into year 6 and our English activities are designed to support these discussions.

**Memories of the year**

Today's activity is to think back over the year and write about your favourite memories, both inside and outside of school. Although our time together was cut short we have done so much and had many marvellous memories.

There are templates to help you on the website but you can also be creative and set it out in your own way.

**Anderson Shelter building**

**Trying Oscar's apple pie**

## Andy Goldsworthy art sculptures

## Paying our respects to the war veterans

## Christmas party

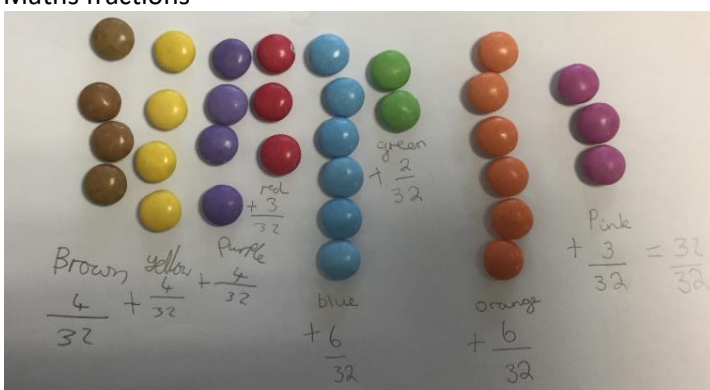

Presenting in assemblies and at harvest

The Everest challenge

Maths fractions

Sports

Science investigations
