LO: Speech punctuation

1) Watch both of the videos on this page about punctuating speech. The Super Movers video is particularly useful in reminding you about all the different types of punctuation you need to use.

2) Watch the end of the Biorn video from 4mins 56 seconds.

As the nuns have given Biorn a Christian burial he has gone to heaven rather than Valhalla.

Write a conversation between Biorn and God where Biorn tries to persuade God to let him out of heaven and into Valhalla.

Remember all the rules of speech when you are writing it.

1. If it's a new speaker, start a new line.
2. Use inverted commas when a character **starts** to speak.
3. Write the **actual words** the character is saying (starting with a **capital letter**).
4. End the speech with **punctuation** (, ? ! .)
5. Show the speech has **ended** using inverted commas.
6. Don't forget to tell your reader **who said it**.

How persuasive can you be ?
