I wish she'd come and find me,  
thought Cy. I hope she hasn't  
gone home and left me.

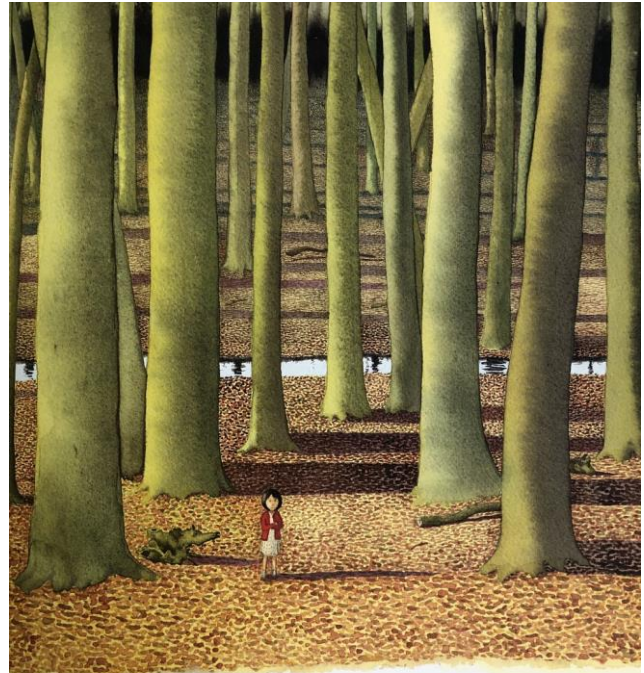

He **MUST** be over there, thought  
Poppy.

He's not!

I'm getting cold now, thought Cy.

I want to go **home**.

I didn't mean him to come this  
**FAR** into the woods...

I didn't mean for him to come this far into the woods . . .

- Define the word seek. Can you use it in a sentence?
- Create a new title for the game hide and \_\_\_\_\_ using synonyms for seek.
- How do you know Cy is feeling fed up with hiding?
- Find a phrase which shows that Poppy is beginning to feel worried about her brother.
- Use the illustration to explain how overwhelmed Poppy feels when she cannot find her brother in the forest.

# seek

To attempt  
to find
