Vikings Raiders or Traders?

School Value Trust

History: The Vikings

We will explore who the Vikings were and where they came from. We will look at the reasons for raiding and settling, why they were so successful at raiding, their beliefs and their impact on the Anglo-Saxon Kingdoms during the ninth century.

Art and Design & Technology:

Viking related art – looking at knot patterns, jewellery and sketching Viking long ship dragon heads and warriors.

Maths:

Fractions, decimals and percentages

- associate a fraction with division and calculate decimal fraction equivalents for a simple fraction
- identify the value of each digit in numbers given to three decimal places
- multiply and divide numbers by 10, 100 and 1000 giving answers up to three decimal places
- multiply one-digit numbers with up to two decimal places by whole numbers
- use written division methods in cases where the answer has up to two decimal places
- solve problems which require answers to be rounded to specified degrees of accuracy
- recall and use equivalences between simple fractions, decimals and percentages, including in different contexts.
- solve problems involving the calculation of percentages [for example, of measures, and such as 15% of 360] and the use of percentages for comparison

Algebra

- use simple formulae
- generate and describe linear number sequences
- express missing number problems algebraically
- find pairs of numbers that satisfy an equation with two unknowns
- enumerate possibilities of combinations of two variables.
