

Home Challenges – Tawny Owls and Woodpecker Class

Autumn Term 1

Text: Skellig by David Almond

Topic links:
Ancient Greece / Skellig / Living Things

Please colour each activity you have chosen to complete,
include the date and bring it in to school on Thursdays.

You can choose how you would like to present your homework.
We are looking forward to seeing your homework completed to a **high standard**.

Research a mammal, insect, bird, reptile or amphibian of your choice and create their life-cycle showing the different stages.	Design an advertising leaflet about visiting Athens or Ancient Greece.	Research and try some Greek food that you haven't had before e.g. Olives, stuffed vines.	Write a descriptive piece about being in the battle of Marathon or the siege of Troy.	Compare the architecture of the ancient Greeks to modern buildings – are there any similarities? Can you find buildings that have been influenced by Ancient Greek architecture?
Write a poem about owls or angels.	Create your own Ancient Greek shield.	Investigate which animals live in Greece.	Greece in numbers – find out as many facts about Greece as you can e.g. population, size Compare this to the United Kingdom.	Create a landscape painting or drawing connected to Greece.
Draw, paint or make a collage of an owl.	Compare the sporting activities of the ancient Olympic games to those of the modern Olympics.	Create your own mythical creature – colour and label. How would it fit into a Greek myth?	Find out about the work of a famous Ancient Greek scientist or mathematician and how they have contributed to our understanding today e.g. Archimedes, Pythagoras.	Any other idea you may have.
