LO: Salvation

Brainstorm all the words that you can think of which are linked to Jesus

Watch the video

Jesus in one word

<https://www.youtube.com/watch?v=HFpyjrPRDks>

Add any words, that others use to describe Jesus, to your list.

Now look at these words

atonement, forgiveness, pardoning,
resurrection, death, Christ, Lord, master,
Son of God, Son of Man, Emmanuel

Have you heard these words before?

Where have you heard these words?

Do they mean anything to you on a personal level?

Would you pair any of these words together?

Task

Look at the RE task on the portfolio section of Class Dojo or on the school website .

Can you match the word to its meaning ?

Final thoughts

atonement, forgiveness, pardoning,

resurrection, death, Christ, Lord, master,

Son of God, Son of Man, Emmanuel

How would you rank these ?

Which words do you think are the most important to describe Jesus ?

Which are the least important ?
