LO: Action

Biorn has many thwarted attempts to try to get to Valhalla.

1. Watch the video again and write a brief description of each one. Can you spot all 8 ?

2. Pick one of these attempts to get to Valhalla and describe the scene in more detail. Think about how to convey the action using description.

Use what you have learnt about building suspense and tension this year to give the reader the impression Biorn is going to be successful only for him to be defeated again.
