Introduction	Today children will look at the long vowel /a/ spelled with the digraph 'ai'. Ask children if they can correctly identify any words with the long vowel /a/ sound. Write down the words they say with the 'ai' spelling and ask them if they can identify what digraph is making the sound.
Main Teaching Activity	Show children the power point slide with the images and ask them to write down on their white board what each image is. If they need support then you can click once to make some of the letters for each word appear. Share the answers together.
Independent Activity	Using the spelling list words get children to work in pairs to try and find two new words that they can make from each word. For example: straight – rats – this strainer – rain – rent
