

Monday 14<sup>th</sup> June

Shared reading answers

1) Where is Cameron making the video ?

Dr Bryce's clinic

2) How did Cameron feel about not being able to have anything to eat until after the operation ?

A bit annoyed to begin with but then he realised he probably wouldn't be able to eat anything anyway.

3) What will Cameron take to help his heart transplant work ?

anti-rejection drugs

4) How is Cameron feeling about the operation ?

petrified

5) Why won't Cameron ask his parents to hug him ?

They will know he is worried which will worry them and then everyone will get upset.

6) Why does Cameron think he is more grown up than he thought he was ?

Because he says, after the operation, he will do what grown-ups do - smile at everyone and then go and cry in the bathroom.
