

Rockwell Green C of E Primary School

Sports Premium Report

Sports Premium allocation for academic year 2022-2023: £16,000

Number of children on role from Years 1-6: 178
 Total allocation of Sports Grant: £17,780

Total Spend £17,780

Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: £2,155.30 (12%)
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Enhance and develop active lunchtimes to ensure all children have the opportunity to be active for 30 minutes minimum during the school day	Purchase outside playground equipment for children to use on both KS1 and KS2 playgrounds. This will enable different equipment to be used each day to keep engagement high.	£200	The children have thoroughly enjoyed the equipment and this has led to children being engaged and active through lunchtimes.	To continue to purchase equipment to keep lunchtimes active. To continue with CPD for staff
	Setting up, training and supporting playground leaders from the sports coach	£775	The sport fixtures at lunchtime have been a real success and the children have thoroughly enjoyed them. There has generally been a 50% uptake from each class to participate within the competitions.	
	Sport tournament fixtures to be led by a Teaching Assistant in lunchtimes for 30 minutes	£802.50		

	Use Absolute Education (an on-line data package) to be able to accurately track the activity of every child.	£325		
	Training for TAs and lunchtime supervisors at least termly on activities that they can deliver to enhance physical engagement at both break and lunchtime.	£52.80		
Key indicator 2: The profile of PE Sport and healthy living being raised across the school as a tool for whole school improvement				Percentage of total allocation: £5,207 (29%)
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To increase the percentage of children swimming 25m	Approach to swimming is continuing with Yr3 swimming for the Autumn term, Yr5 from Jan to May and then Yr6 in the Summer 2 half-term. The aim of this is to ensure children retain skills in the long term due to the repetition. Extra coaches are also hired so there are smaller groups	£0	By having children swim for longer than a half-term you can see greater impact. The school will continue to prioritise swimming as only a small number of children swim outside of school.	To support progress in swimming from next year Yr4 will swim for the Autumn term, Yr5 in the Spring term and then Yr6 in the summer term.
	Hire extra coaches for smaller groups	£741	Outdoor Education continues to be very popular with the children and is helping to increase confidence with the children	To enhance the outdoor education by now having a Forest school lead.
Be a member of Somerset Cricket Club to increase participation	To renew membership to SCC so children are able to watch a top class sporting event for free	£30		
Increase confidence and positivity	Outdoor Education used as an	£4,436		

around sport/PE/Well-being	approach to enhance self-esteem and positive well-being			
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				£1,385 (8%)
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To ensure the quality of PE teaching is at least good across the school	Deliver and use the materials from the REAL program and the Legacy materials	£0	The REAL resources and approach are supporting us as a school to have good quality PE being taught across the school. This has been possible due to being part of the legacy programme. This has meant the school PE lead having support and time through this process.	To continue with the legacy programme. This would include some team teaching to help the classroom teachers enhance their quality first teaching further.
	Use the SASP coach through the Legacy programme to deliver CPD to staff. Release staff to observe	£300		
To have a skilled driven leader in PE	Time to liaise with the Sports Coach to ensure quality provision in all aspects described	£111	The Forest school training has been completed and assignments are being completed. The qualification should be achieved in the Autumn term of 2023.	To develop a Forest School Progression outlining an overview document of what will be taught across the school.
	Membership to SASP	£609		
To have a trained Forest School leader	Forest School training	£365		

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				£4,397.70 (25%)
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To enhance the PE curriculum through the use of the REAL PE, Gym and Dance as well as outdoor education	Purchase of equipment to enhance the PE curriculum	£522.70	The PE curriculum has been enhanced due to becoming a legacy school and the purchase of further equipment so all aspects can be delivered.	To continue with a second year of the legacy programme and through this continue to enhance the PE curriculum
To raise the participation rate of children attending extra-curricular clubs	Offer a variety of sports clubs for various year groups across the academic year	£3,875	There has again been a variety of extra-curricular clubs offered and this has led to a higher participation rate this year than the previous year.	To again offer a wide variety of extra-curricular clubs and to monitor the participation rates.
Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				£4,635 (26%)
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To raise the participation rate of children engaged in competitive sport	Sports coach to lead Intra class competitions within classes during additional PE sessions every half-term	£3885	The additional PE sessions have been a real success and this has led to many intra class competitions being delivered.	To continue and build upon what has been delivered this year.
	Sports TA to lead and run a tournament every lunchtime catering for different year groups	Cost above	As shared above, the lunchtime tournaments have been a real success with generally a 50% participation rate from each class.	
	To attend the competitions and festivals organised by SASP	£750	The school has attended a number of the competitions and fixtures organised by SASP	

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.</p>	72%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	72%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	72%
