

## Home Learning Challenges – Tawny Owls and Woodpecker Class

Autumn Term Two

**Text: The Remarkable Story Of Edmund Hilary and Tenzing Norgay**

**Why do people explore mountains?**

You can choose how you would like to present your home learning.  
We are looking forward to seeing your home learning completed to a high standard.

Create a graph showing the heights of the largest mountains in the world. Extn: Record their location using longitude and latitude.	Design an advertising leaflet about Everest and the Sagarmatha National Park.	Research and make a recipe from a mountainous country.	Write a descriptive piece about being in a snow storm.	Write a biography of a famous person associated with mountain climbing.
Write a list of items you might need to climb Everest.	Create a 3D model of a mountain.	Investigate which animals live in mountainous habitats.	Compare mountains and mountain ranges from the northern and southern hemispheres.	Create a landscape painting or drawing of a mountain scene.
Write a mountain/explorer based poem.	Describe how mountains are formed.	Make a list of sporting activities you can do on mountains.	Any other idea you may have.
