“Sharing life in all its fullness.” John 10:10

Values : The value we are focussing on this half term is Friendship

Dear Parent/Carers,

I very much hope that you had an enjoyable and restful half-term. It has been great having the children back in school and we have had a really good week.

Learning this half-term

Your child's teacher has posted both the curriculum map and the optional home learning grid on Class Dojo so you know what your child/ren will be learning this half-term. We have another really exciting half-term planned and are looking forward to the children developing their knowledge and skills in a variety of subjects.

New School Website

I am delighted to share that we have a new school website. Please take a look by clicking on the link below:

<https://www.rockwellgreenprimary.co.uk/>

Children in Need (Friday 14th November)

Next Friday children may wear non-school uniform that includes something 'spotty' or 'Stripy' to support Children in Need. There will be buckets at the front of the school as the children enter for donations to be given

Coats

With the colder and wetter weather can I please ask that children have a coat in school each day. Thank you

Primary School Applications

Primary school applications for September 2026 are now open. Please click on the link below.

<https://www.somerset.gov.uk/children-families-and-education/applying-for-school/apply-to-start-school-for-the-first-time/>

Anti-Bullying week (Monday 10th - Friday 14th November)

Next week is anti-bullying with the theme of 'Power for Good'. As a school, we will be leading a number of assemblies to remind the children of the importance to share with others if they are being treated unkindly by others. 'Power for Good' focuses on empowering young people to use their Power for Good to safely speak up and raise awareness when they see bullying, face to face or online.

As part of anti-bullying week we are joining the national Odd Socks Day on Monday. This is a chance to celebrate Anti-Bullying Week in a positive way by asking students to wear odd socks to school.

In addition to this, we have The Coram Life Education & SCARF team visiting our school on Thursday 20th and Friday 21st November to deliver workshops to all the children. The children's charity Coram Life Education provides Health and Wellbeing Education support to schools. Workshops are delivered by skilled educators and the SCARF resource is the framework of our PSHE (Personal, Social, Health & Economic) education curriculum.

The fun, interactive and age-appropriate workshops help children to understand the importance of physical and emotional health; they learn vital life-skills that are also known to help their overall achievement.

Early Years and Key Stage 1: children learn about keeping their bodies healthy, managing feelings, being a good friend and the safe use of medicines.

Key Stage 2: children explore emotional needs, choices that can affect health and wellbeing, qualities of friendship, how to cope with bullying and the influence of friends. They also consider the effects and risks of drug use, including medicines, alcohol and tobacco as well as learning about how few people in their age group actually use non-medical drugs - this is social norms education.

If you have any questions, then please don't hesitate to speak with your class teacher or
Mr Adfield.

School Lunches

We are having a lot of instances where children are coming in without a lunch and no hot lunch ordered. Can I please ask that if you have not ordered a lunch then a packed lunch is sent in.

If your child/ren are entitled to a free school meal, can I please ask that you order what they will eat. If the meal has not been ordered we will only order the first options, which your child/ren may not like or eat. We can not then guarantee that we will have spares of a different option to be able to swap it to something they will eat.

Thank you in advance

Mrs Y Williams

School Tours

If any prospective parent/carers of children starting school in September 2025 missed our two school open days, then a school tour is still available by contacting the school office to make an appointment.
