Values : The value we are focussing on this half term is Friendship

Dear Parent/Carers,

I hope you have enjoyed the start of Advent and the preparation towards Christmas. I cannot believe that we only have two weeks of term left and that it is only twenty days until Christmas day. This week in Collective Worship we have discussed what Advent means and as part of this the children have understood that the candles on an advent wreath symbolise hope, peace, love and joy. The fifth candle would be lit on Christmas day and symbolises purity.

Please see our diary dates below for events over the next two weeks and I look forward to seeing you at the PTFA Christmas Bingo this evening beginning at 5.30pm (doors open at 5pm)

Maths Challenge

Last Saturday morning, four children from Year 6 - Albie, Jace, Mollie and Pheobe-Rose - took part in the Wellington School Maths Challenge. They competed alongside children from 60 schools solving a variety of very challenging maths problems. The spirit of the competition is very much about enjoying maths challenges and having a go and the children took this fully on board thoroughly enjoying their morning.

No Outsiders

Just a reminder that on Tuesday 9th December at both 3.15pm and 6pm in our school hall parent/carers (children are welcome too) are able to come and find out more about 'No Outsiders: All Different. All Welcome.' that we will be adding to our school curriculum from January. As I shared in my newsletter two weeks ago this is delivered through picture books (which you will be able to view) alongside images. The fantastic thing about 'No Outsiders' is the children have ownership and the adults act as facilitators asking children questions to prompt their thinking. We look forward to seeing you there.

Christmas Card Post Box

The school Christmas post box is available in the school office area for children to send Christmas cards around the school.
