

Autumn 2 – Woodpeckers and Tawny Owls

Pre-learning task

Next half term our question is

‘What are the similarities and differences in mountain regions of Europe ?’

We will be using this book to support our learning.

In preparation for this new topic, please carry out some research linked to mountains. This could be mountains in Europe or mountains around the world.

You can choose what you would like to research

e.g. a particular mountain range; mountain climates; mountain explorers; mountain animals; tourism

and choose how you would like to present the information you find out.

We look forward to seeing your learning completed to a high standard.
