A lush, dense Amazon rainforest scene with sunlight filtering through the canopy. The image is framed by a light green border with faint floral patterns.

Deep in the dark Amazon rainforest, living things
are all around.

High above and down below, see the sights and
hear the sounds.

Bravely enter this marvellous place;
hurry, there's no time to waste!

Deep in the dark Amazon rainforest, the glittering sun breaks through and warms my skin. It is humid so I sip some fresh water from the rushing river. The gentle wind blows in my hair.

I look all around and see creatures great and small. I see cheeky, chattering monkeys swinging from tree to tree; I quietly tip-toe past the lazy leopard so that he won't see me!

As I explore further, I smell the sweet scent of juicy berries and bright bromeliads growing on the tall, tangled, colossal, trees. A colourful toucan suddenly swoops down to pick a berry with its sharp beak. It soars high into the sky, far above the playful monkeys, before resting on a branch.

Without warning, a slimy frog hops out of the gushing river and lands on me. My shriek stirs the dozing leopard so I run away as quick as a flash!
