Statement of principles

The Governing Body of Rockwell Green Church of England Primary School encourages close links with parents and the community. It believes that pupils benefit when the relationship between home and school is a positive one.

The vast majority of parents, carers and others visiting our school are keen to work with us and are supportive of the school. However, on the rare occasions when a negative attitude towards the school is expressed, this can result in aggression, verbal and/or physical abuse towards members of school staff or the wider school community.

The Governing Body expects and requires its members of staff to behave professionally in these difficult situations and attempt to defuse the situation where possible, seeking the involvement as appropriate of other colleagues. However, all members of staff, parents and children have the right to be on our school site without fear of violence and abuse.

We expect parents, carers and other visitors to behave in a reasonable way towards members of school staff, parents and children. This policy outlines the steps that will be taken where behaviour is unacceptable.

Types of behaviour that are considered serious and unacceptable and will not be tolerated include:

- shouting at members of the school staff, other parents or children either in person or over the telephone;
- physically intimidating a member of staff, another parent or child, eg standing very close to her/him;
- the use of aggressive hand gestures;
- threatening behaviour;
- shaking or holding a fist towards another person;
- swearing;
- pushing;
- hitting, eg slapping, punching and kicking;
- spitting;
- breaching the school's security procedures.

This is not an exhaustive list but seeks to provide illustrations of such behaviour. Unacceptable behaviour may result in the local authority and the police being informed of the incident, and may result in a ban from the school site.

Procedure to be followed

If a parent/carer behaves in an unacceptable way towards any member of the school community, the head teacher or appropriate senior member of staff will seek to resolve the situation through discussion and mediation.

If necessary, the school's complaints procedures should be followed. Where all procedures have been exhausted, and aggression or intimidation continue, or where there is an extreme act of violence, a parent or carer may be banned by the head teacher from the school premises for a period of time, subject to review.

In imposing a ban the following steps will be taken:

1. The parent/carer will be informed, in writing, that she/he is banned from the premises, subject to review, and what will happen if the ban is breached, eg that police involvement or an injunction application may follow
2. Where an assault has led to a ban, a statement indicating that the matter has been reported to the local authority and the police will be included
3. The Chair of Governors/LA will be informed of the ban
4. Where appropriate, arrangements for pupils being delivered to, and collected from the school gate will be clarified.

The local authority itself may take action where behaviour is unacceptable or if there are serious breaches of health and safety legislation. In implementing this policy, the school will, as appropriate, seek advice from the Local Authority's education, health and safety and legal departments, to ensure fairness and consistency.
