

**The Tunnel**  
Anthony Browne

**Home challenges Autumn 2 Squirrels Year 4**

**Autumn Term 2**

**Should we go on a Southwest staycation?**

You can choose how you would like to present your homework. We are looking forward to seeing your homework completed to a high standard.

Remember the Tourist Information Office is a great place to find about our area.

Find out about treehouse holidays in SW England. Which is your favourite? Why?

Design your own holiday destination treehouse.

Label it- or make it!

Visit the seaside and take pictures of erosion evidence.

Or

Do a 'Candy (sweets) erosion' experiment!  
Record what you learn/ find out.

<https://sugarspiceandglitter.com/easy-erosion-experiment/>

In science we are learning about living things.

Create a new vertebrate and classify it as a mammal, fish, reptile, bird or amphibian.

Find out about an amphibian and what they eat.

What is the name of the amphibian?  
Where do they live?

Draw and label your favourite one!

Design a poster to educate people on the importance of bees.

What can people do to help these insects?

Create a postcard for a destination in the Southwest of England. Perhaps a place you have been and have enjoyed- or somewhere you would like to go.

Find out what a National Park is.

Which national Parks are we lucky enough to have in the Southwest?

Draw and name some of the wildlife you may find here.

Go on a walk and find 5 (or more) different sorts of deciduous leaves.

Draw, colour and label them with their correct names.

Make some Turkish Deight sweets... or ... design/ make a special box for the White Witch's Turkish Delight!

Write a poem or an adventure story about a mysterious tunnel like the one describes in 'Five go off to camp' by Enid Blyton.
