

Pre-learning task

Squirrels and Otters

Summer Term 1

Your task is to create an adoption poster to persuade people to adopt an animal from St.Giles animal centre. This will link to our writing unit next half term.

You can choose any animal from the website to draw a picture of and write some persuasive sentences on why someone should adopt that animal.

You may create your poster in any way you choose (draw and write, type), perhaps you could use Purple Mash?

We look forward to seeing your adoption posters.

Please bring in your pre-learning task on Wednesday 22nd April 2026.

The St.Giles animal centre website:
