

Home Challenges – Otter and Squirrel Class

Summer Term: What makes the Earth angry?

Choose from the optional home learning challenges below. We are looking forward to seeing your home learning.

Please ask if you need any help or resources. Thank you.

Choose a type of weather and write a poem about it.	Create a piece of art linked to wild weather.	Measure the rainfall every day over a month in ml. Collect data in a table.	Write and record a weather report for the Southwest of UK.	Create a warning poster for a tsunami. What should people do in the event of a tsunami?	Create an aid package which you would send to a family who has lost their home due to a natural disaster.
Create a dance with a weather theme- film it and put on portfolio.	What happened on the 26 December 2004 in Sumatra, Indonesia?	Why do big storms have names? What would you call a storm? Create a stormy nameplate.	Where did Hurricane Katrina hit and when? How were the people of New Orleans affected?	Make a board game including different types of weather.	https://www.bbc.co.uk/teach/bring-the-noise/thunder-jam-weather/zk6pxyc Can you make a rain stick or a thunder maker instrument?
