

Summer 1 – Woodpeckers and Tawny Owls - Pre-learning task

Next half term our question will be

‘What is happening to our planet ?’

In preparation for this new topic, please carry out some research linked to either the

- **oceans and plastic pollution** or
- **rainforests and how they are being destroyed** or
- **an environmentalist / conservationist** who is making a positive difference to our planet (see link below for idea)

<https://www.natgeokids.com/uk/discover/animals/general-animals/conservation-heroes-whitley-awards/>

You can choose what you would like to research and choose how you would like to present the information you find out e.g. art, model, poem, persuasive leaflet, fact file etc.

We look forward to seeing your learning completed to a **high standard**.

Mrs Williams and Miss Jenkin
