

Classroom Teacher Recruitment Pack

Letter from the Headteacher

Dear Applicant,

Thank you for expressing an interest in the role of a Class Teacher at Rockwell Green Church of England Primary School.

Situated on the west side of Wellington, Rockwell Green is one of five primary schools within the town and is part of the Wellington Cluster Group. We provide a safe, happy, well-resourced and inclusive learning environment, where all children thrive. We offer a wide range of creative learning and sporting opportunities through a varied, rich and exciting curriculum. There are currently 198 children on roll plus a 40 place Pre School, and we believe that solid foundations in the early years are the core foundation to a well rounded education.

We are very proud of the academic and pastoral reputation of our growing school. In addition to our thriving preschool, we have an on-site Forest School and offer before and after school care, as well as a range of after school clubs. We are also extremely proud of our links with the local community, which includes our parish church and a number of other churches in the local area. Rockwell Green is the only school in Wellington to be affiliated with the Royal British Legion and our children regularly take flowers to the war graves at Wellington Cemetery.

Our committed and experienced Board of Governors are dedicated to providing myself and the school team with the necessary support to build on our current achievements and lead the school into its next phase of development. The school is committed to the continuing professional development of staff members and the successful candidate will benefit from this. We are seeking to appoint a dynamic Class Teacher who has the skills to support our children in the next step of their learning, academically, physically, emotionally and spiritually. We are committed to working together with the Church and community to ensure that Rockwell Green Church of England Primary remains a well-respected and inclusive school of which we can all be proud.

Our Ofsted inspection (March 2023) rated the school as good and our SIAMS inspection (July 2018) rated the school as outstanding.

You can learn more about our school on the website and we hope that you can visit us too and experience Rockwell Green C of E Primary for yourself. Visits can be arranged by contacting the school.

We look forward to receiving your completed application.

Yours faithfully,

Mike Berrisford
Headteacher

About Wellington

A friendly town set in the wide valley between the Brendon and Blackdown Hills, Wellington gave its name to the famous 'Iron Duke', victor of the Battle of Waterloo. The 175ft column built on the scarp edge of the Blackdowns was erected in his honour: at night it is an illuminated landmark for miles around.

The town's growth and prosperity date back to the 18th century when the Fox Family built their integrated woollen mill. Visit the Wellington museum to find out more about this historic town and unravel the Fox Family legacy.

With a range of specialist shops, Wellington is ideal for browsing during the day whilst the 'Wellesley', the town's unique 1930s cinema offers entertainment in the evening.

Award-winning Wellington Park, which was given to Wellington town by the Fox family in 1903, has been restored thanks to a Heritage Lottery grant. The Friends of Wellington Park arrange a number of events in the park during the Summer months.

Wellington Carnival takes place on the last Saturday in September. Part of the South Somerset Federation of Carnivals, the procession consists of various walking entries, majorettes, marching bands and colourful illuminated floats to entertain the crowds. Wellington Street Fair is another annual event, which sees two of the main streets closed and filled with a variety of stalls and entertainment throughout the day.

Wellington is also a 'Food Town' and hosts various events and initiatives to celebrate the best in local food and drink. For music lovers, Welliestock and Sheppyfest festivals celebrate local talent in normal times.

This growing town boasts excellent road infrastructure, with quick and easy access to the M5. Nearby towns of Taunton and Tiverton have rail links to London and the South West, and Exeter and Bristol airports are both within an hours drive. Ideally situated for exploration, the Cathedral City of Exeter is less than 35 miles away and there are a number of National Trust and heritage sites within the local area.
