Status:	STATUTORY
Responsible person:	HEADTEACHER
Responsible Governor:	CHAIR OF GOVERNORS
Approved by the Governing Body:	May 2026
Review Period:	Annually
Review Date:	May 2027

## **Statement of intent**

Rockwell Green C of E Primary School believes that a consistent school uniform policy is important to promote the ethos of the school and provide a sense of belonging and identity for all pupils, regardless of their protected characteristics or socio-economic circumstances.

This policy lays out the measures the school has taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all pupils, and is affordable and the best value for money for the school and pupils' families.

We believe that pupils learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in such a way that sets an appropriate tone for education.

## 1. Legal framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Education and Inspections Act 2006
- Education Act 2011
- Human Rights Act 1998
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018

This policy has due regard to all relevant guidance including, but not limited to, the following:

- DfE (2025) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2025) 'School uniforms'

## 2. Roles and responsibilities

The governing board is responsible for:

- Establishing, in consultation with the headteacher and school community, a practical and smart school uniform that accurately reflects the school's vision and values.
- Ensuring that the school's uniform is accessible and inclusive, and does not disadvantage any pupil by virtue of their protected characteristics or socio-economic status.
- Listening to the opinions and wishes of parents, pupils and the wider school community regarding changes to the school's uniform.
- Ensuring that the school's uniform is accessible and affordable.
- Demonstrating how best value for money has been achieved in the uniform policy.
- Ensuring compliance with the DfE's 'Cost of school uniforms' guidance.

The headteacher is responsible for:

- Monitoring the school's uniform on a day-to-day basis.
- Ensuring that teachers understand this policy and what to do if a pupil is not wearing school uniform.
- Listening to the opinions and wishes of the school community in regard to the school's uniform and making appropriate recommendations to the governing board.
- Processing all eligible School Uniform Assistance Applications.

Staff members are responsible for:

- Monitoring that pupils dress in accordance with this policy.
- Ensuring that pupils understand why having a consistent and practical school uniform is important, e.g. school identity.

Parents are responsible for:

- Providing their children with the correct school uniform as detailed in this policy.

- Informing the headteacher if their child requires a more relaxed uniform policy for a period of time, including why.
- Ensuring that their child's uniform is clean and presentable

Pupils are responsible for:

- Wearing the correct uniform, unless the headteacher has granted an exemption.
- Looking after their uniform.
- Understanding and respecting why a school uniform is important to the school, e.g. school identity and community.

### **3. Cost principles**

The school is committed to ensuring that its school uniform is affordable and accessible to all pupils, and does not place an unreasonable financial burden on parents.

In accordance with the 'School Admissions Code', the headteacher will ensure that the school's uniform policy does not discourage parents from applying for a place for their child.

The school will assess the overall cost implications of its uniform policy regularly, including prior to making any changes to the school uniform. When evaluating whether costs are reasonable and proportionate, the school will take into account the opinions and situations of:

- Economically disadvantaged parents.
- Parents with multiple children who are, or will be in the future, pupils at the school.
- Parents of younger children, as they are likely to grow quickly and require new sets of uniform more frequently.
- Parents of pupils with protected characteristics that may impact their ability to access the uniform due to costs.
- LAC and PLAC.

The school will evaluate the cost of its uniform based on the overall collection of uniform items that parents would need to purchase for a pupil, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents will need to purchase multiples of certain items, e.g. shirts and socks, to ensure their child can come to school in clean uniform every day.

The school keeps variations in school uniform to a minimum where possible to ensure that pupils can get the most wear out of their uniform possible and that parents can pass some items down to younger siblings.

The school keeps branded uniform items to a minimal level that is reasonable for all members of the school community. The school defines a branded uniform item as any item of clothing that cannot be purchased at a range of retailers, including by virtue of logos, colours, design and fabrics.

The school is committed to meeting the DfE's recommendations on costs and value for money. Every care is taken to ensure that our uniforms are affordable for all current and prospective pupils, and that the best value for money is secured through reputable suppliers.

The school works with a local supplier to obtain the best value for money possible.

The school will not amend uniform requirements regularly and will take the views of parents and pupils into account when considering any changes to school uniforms.

#### **4. Equality principles**

The school takes its legal obligation to avoid discriminating against any protected characteristic unlawfully very seriously, and aims to ensure that the uniform policy is as inclusive as possible so that all pupils are supported to access a school uniform which is comfortable, suitable for their needs, and reflects who they are.

The school will work to ensure that school uniform's cost does not disproportionately affect any pupils by ensuring that uniforms for all genders are as equal in price as possible.

#### **5. Complaints and challenges**

The school endeavours to resolve all uniform complaints and challenges locally and informally, in accordance with the school's Complaints Procedures Policy.

To make a complaint, parents should refer to the Complaints Procedures Policy and follow the stipulations outlined.

When a complaint is received, the school works with parents to arrive at a mutually acceptable outcome.

Governors are willing to consider reasonable requests for flexibility to allow a pupil to accommodate particular social and cultural circumstances.

#### **6. School uniform supplier**

Our current school uniform supplier for branded clothing is:

- Workwear Online
- Workwear Online, Unit A12 Westpark 26 Wellington, Somerset, TA21 9FH
- Tel: 01823 663556

Other items of non-branded school uniform are widely available from a range of other retailers.

Our school uniform supplier accepts school uniform assistance vouchers.

The governing board will be able to demonstrate how uniform is procured at the best value for money. The headteacher will work to ensure that the items are procured as cheaply as possible without compromising on the quality, e.g. by requesting standard-style items from the supplier rather than more intricate and unique designs.

The school does not make agreements with suppliers before requesting visualisations of proposed uniform, as well as fabric samples.

#### **7. Uniform assistance**

The school supports vulnerable families in meeting the costs of uniforms. The budget for the school uniform assistance scheme comes from pupil premium funds.

To claim school uniform assistance, parents should be eligible for FSM. Eligibility is determined by checking original documents from the relevant authority, detailing receipt of the benefit and the address of the pupil.

Families who meet the criteria should contact the school office regarding the uniform they would like to purchase. Once this has been agreed it will be ordered by the school office and the parents will be informed once it is ready to be collected.

The PTA organises second hand uniform sales on a regular basis. Parents are invited to donate their child's uniform when they no longer need it.

## 8. Non-compliance

Staff members ask children about their school uniform if they are not wearing the correct uniform. From this point, a suitable amount of time may be given to resolve the situation (eg. my parents are going to take me at the weekend to purchase some new shoes) or a reminder slip and/or a conversation with the parents may be held by the staff member.
