Texts supporting this unit:

Class author: Peg Kehret—Escaping the Giant Wave

Class texts: Two Bobbies: A True Story of Hurricane Katrina, Friendship and Survival. .

French: SALUT

The body

Religious Education: AMV

AMV:

Y4: Unit 4 – What do Christians believe about Salvation (Links with Easter)

Maths:

Coordinates

Pupils give directions from one position to another on a grid
Pupils describe translations of polygons drawn on a square grid
Pupils mark the position of points specified by coordinates in the first quadrant of a coordinate grid, and write coordinates for already-marked points
Pupils draw polygons specified by coordinates in the first quadrant
Pupils translate polygons in the first quadrant

Fractions

Pupils identify a whole and the parts that make it up
Pupils explain why a part can only be defined when in relation to a whole
Pupils identify the number of equal or unequal parts in a whole
Pupils identify equal parts when they do not look the same
Pupils explain the size of the part in relation to the whole
Pupils construct a whole when given a part and the number of parts

What makes the Earth angry?

Value: Courage

Science:

States of Matter

Music:

Somewhere over the rainbow.

Physical Education:

REAL PE
Creative
Coordination – Sending and receiving.. Counter Balance..

Art:

A study of Katashika Hokusai
Create a sculpture of The great wave of Kanagwa.

Design & Technology:

Design and make a waterproof container which can be used to protect precious items during a natural disaster.

Geography vocabulary:

Hemisphere	Boundaries
Compass	Surface
N S E W	Crust
NW SW NE SE	Earth
Equator	Collide
Atlas	convergent, divergent transform
Lines of latitude	Ring of fire
Climate: polar, temperate, tropical, arid, mountain or Mediterranean	Volcanoes
Tectonics	Eruption
Plate	Composite
	Shield
	process

Computing and Technology:

Year 4– Purple Mash Unit 4.5 Logo

Geography:

Use the 8 compass points to identify the Earth's hemispheres.
Locate countries on the Tropic of Cancer and the Tropic of Capricorn latitude lines
Describe how climate zones differ from each other
Describe tectonic plates and how these areas on earth can cause earthquakes, tsunamis and volcanic activity,
Explain the process of volcanic eruption and how humans interact with the physical geography of volcanoes.

Values & PSHE: Year 4

SCARF programme of learning:

Rights and responsibilities.
