

Spring 1 – Woodpeckers and Tawny Owls

Pre-learning task

Next half term our question is ‘What is happening to our planet?’

We will be using this book to support our learning.

In preparation for this new topic, please carry out some research linked to  
**rainforests.**

You can choose what you would like to research

e.g. a particular rainforest; rainforest animals; deforestation

and choose how you would like to present the information you find out.

We look forward to seeing your learning completed to a high standard.
