

Home Learning Challenges – Tawny Owls

Summer Term 2

David Roberts' Delightfully Different Fairy Tales
The True Story of the Three Little Pigs
by Jon Scieszka.

How can we see things from a different perspective ?

You can choose how you would like to present your home learning.
We are looking forward to seeing your home learning completed to a high standard.

<p>Find any versions of fairy tales you have in books at home. Which versions do you like and why ?</p>	<p>Draw a map of where you live. Give it a key to help someone else see what is in the area e.g. church, shop etc.</p>	<p>Create a piece of art work which shows something ordinary in a different way.</p>	<p>Write a fairy story from the perspective of a different character e.g. The Three Bears in Goldilocks and the Three Bears.</p>
<p>How might people's perspectives change as they age? Interview older relatives about an issue e.g. the use of technology. Are their views the same as yours or different ?</p>	<p>Write a newspaper report from the point of view of a Traditional Tale character e.g. the giant in Jack and the Beanstalk.</p>	<p>Create a piece of music linked to the idea of a different perspective.</p>	<p>Go out for the day and use a map to find your way around. Did you find it easy or hard? Did you use a paper or online map ?</p>
