

Home Challenges – Otter and Squirrel Class - Summer 1 Where does the river flow?

Please choose from the optional home learning challenges below.

Please ask if you need any help or resources. In addition, please remember to complete the Maths homework book, spellings, TTRS, Numbots and reading practice. Thank you.

Write a poem about a river or river creature.	Produce a fact file about the longest river in the world.	At a river's estuary people enjoy sailing. Draw some symmetrical designs for a sailing boat's sails.	Draw or paint a picture of a river scene. You could use water colours or any medium you choose.	Make a model of a boat. This might be a sailing dinghy, barge, canoe, tanker or any other boat you might find on a river.	Name/ research/ describe/ draw/ collage 5 different water sports people enjoy.
Name / draw on a map, 5 important buildings or tourist attractions next to over the River Thames.	Write a leaflet that helps people understand the importance of saving water.	Create a rain maker instrument, using small pebbles or seeds. Could you decorate using a river theme?	How can river power be used to create clean energy?	In science we will be learning about electricity. Make a warning/ safety poster or leaflet to teach people about the dangers of electricity and water.	Plan/ draw/ create a healthy balanced lunch/ picnic.
