

Pre-learning task
Squirrels and Otters
Summer 1

Next half term we will be studying rivers. For your pre learning task we would like you to create a river scene.

You can choose to make this however you like – drawing, painting, purple mash, model of a river scene.

Be as creative as you like but consider all the things you may find at a river (creatures, plants, trees, boats, bridges etc).

We look forward to seeing all your creative scenes and we hope you enjoy making them.

Please bring in all river scenes on Monday 15th April 2024.

Mr Ogilvie and Miss Hawkins
