

Home Challenges – Hedgehog Class

Autumn Term One – Where do I come from? What makes me special?

Please note: daily reading is the most important, regular homework and it is essential that your child brings their book and reading record into school every day.

Create a self-portrait using any type of art or craft to complete it. 	Create a family tree, so we can learn all about the special people in your life. 	Design a hedgehog picture using autumnal natural resources e.g. leaves/sticks. 	Create a 'count on me' poster that shows the special numbers in your life – e.g. your house number, the number of girls in your family. Can you create any calculations with these special numbers? 	Write down questions to ask an older family member about what changes they have seen. Don't forget to record the answers too. 	Read a book about family, the body or hedgehogs with someone and write a review about it. 	Wild Card – Get creative and do something of your choosing that is linked to yourself or hedgehogs. The sky is the limit
